# PointStar FAQ — Billing & Subscriptions

**Document ID:** KB-FAQ-002

**Version:** 2.0

**Last Updated:** 2026-01-15

**Category:** Billing

---

**Q1. What payment methods do you accept?** We accept major credit/debit cards (Visa, Mastercard, Amex) for Google Workspace, JumpCloud, and Zoom subscriptions. Oracle NetSuite and Professional Services engagements are typically invoiced via bank transfer per the signed order form.

**Q2. When am I charged for my subscription?** Google Workspace Flexible Plan and JumpCloud monthly plans are charged on the same calendar day each month as your original purchase date. Annual plans (Google Workspace Commitment, JumpCloud, Zoom, NetSuite) are billed once per year on the contract/anniversary date.

**Q3. How do I get a copy of my invoice?** Invoices are auto-emailed to your billing contact and available under Account Settings → Billing → Invoice History. NetSuite contract invoices are issued separately by our Finance team per your order form schedule.

**Q4. Can I switch between Google Workspace plans mid-cycle?** Yes. Moving from Flexible to a Commitment (annual) plan takes effect immediately. Downgrading from Commitment to Flexible only takes effect at the end of the current 12-month term, since Commitment plans are a fixed term per Google's reseller terms.

**Q5. Do you charge GST/VAT?** Yes, applicable local tax is added based on the billing entity's country — Singapore GST, Malaysia SST, or Indonesia PPN. Tax-exempt organizations should contact billing@pointstar-consulting.example with documentation.

**Q6. My card payment failed — what happens to my account?** For Google Workspace, JumpCloud, or Zoom, we retry failed payments automatically 3 times over 7 days. Access is suspended after the third failed attempt until payment is resolved. NetSuite and Professional Services invoices follow separate payment terms per your contract (typically Net 30).

**Q7. How do I cancel my subscription?** Go to Account Settings → Billing → Cancel Subscription for Google Workspace, JumpCloud, or Zoom. **Oracle NetSuite contracts cannot be self-cancelled** — they are annual/multi-year commitments; any cancellation request must be routed to a human Billing Specialist per the Refund Policy (KB-POLICY-001), Section 6.

**Q8. I was charged twice this month — can I get a refund?** Yes, duplicate charges are always refunded in full once verified, regardless of product. See Refund Policy (KB-POLICY-001), Section 5 — Billing Errors. Please include your invoice number when reporting this.

**Q9. Am I eligible for a refund if I just don't want the service anymore?** This depends entirely on which product you're subscribed to — refund eligibility differs significantly between, for example, Google Workspace and Oracle NetSuite. Please refer to the Refund Policy (KB-POLICY-001), Section 2, for the specific rule for your product. If your product or situation isn't clearly listed there, the case will be escalated for individual review.

**Q10. Who do I contact for Oracle NetSuite contract or Professional Services billing questions?** These are handled by your assigned Account Manager or Project Lead, not general billing support. Please reference your contract/SOW number in any inquiry so it can be routed correctly.

**Q11. What currency am I billed in?** Billing currency is set at signup based on your region (SGD, MYR, or IDR) and cannot be changed mid-subscription. Contact your Account Manager to switch currency at

renewal.

**Q12. Can I get a receipt for expense reporting before the invoice date?** Yes, a provisional receipt can be generated on request via billing@pointstar-consulting.example.
